

Stock Chaps At Their Finest

A Superior Stock Chap Offering Many Features of a Custom Chap — from Look to Fit

Family-Owned... for Quality and that Personal Touch

Larocque Chaps have been making chaps for over 10 years. We are a very small, family-owned company that hand crafts all our own chaps right here in the USA.

Chaps for Everyone and Every Pocketbook

Our chaps are worn by everyone, from amateur to professional, all across the country. We offer stock, semi-custom and custom chaps everyone can afford.

A Custom Fit and Look without the Big Price

Larocque Chaps believes that everyone should ride in a custom fitting chap, so we have designed our stock chaps to fit like custom-made. Ask about personalized options.
